## Manufacturers Forum Series

Experience the Manufacturers Forum, a quarterly learning series for local manufacturers brought to you by RAMAC, RCEDC, and WMEP. Join expert-led training fostering peer-to-peer learning.

### Quarterly sessions:

January 21, 2025, 8:00am – 9:30am  
April 15, 2025  
August 19, 2025  
November 18, 2025

### Location:

SC Johnson iMET Center  
2320 Renaissance Blvd, Classroom 252  
Sturtevant

**January 21<sup>st</sup> – Learn and Experience AI with Joe Hamman, Executive Director, Connected Systems Institute.** The Connected Systems Institute (CSI) is a public/private consortium at UW-Milwaukee, with a mission to enable the future manufacturing workforce and accelerate economic development specific to manufacturers through education, technology transfer, and advanced manufacturing knowledge leadership. The CSI is also home to the new Microsoft AI Co-Innovation Lab which focuses on accelerating AI applications in manufacturing and enables manufacturers to collaborate directly with Microsoft AI experts.

**Register** for each session separately from the RAMAC website events calendar. Search by date: <https://business.racinechamber.com/events/calendar/>

*This series is free for RAMAC members and RCEDC investors. \$25 for nonmembers.*
